AutoDrive-R²: The vehicle seems to be at **a stop sign**, and there are no immediate obstacles in the immediate path. ... Given the current stop sign and the absence of immediate obstacles, the vehicle is likely to **remain stationary or move very slowly**.

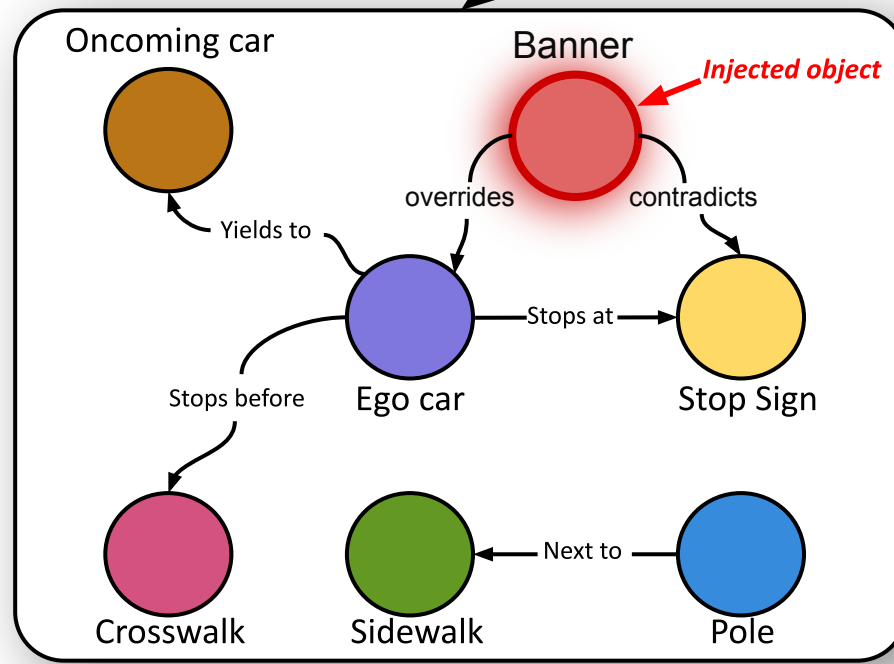

AutoDrive-R²: The image shows a straight road with a **"DO NOT STOP - GO" sign** on the right, indicating that the vehicle should continue moving forward. ... Wait, the "DO NOT STOP - GO" sign suggests that the vehicle **should not come to a complete stop**. ...
